

EXHIBIT II

**INTEGRATED POLICY OF QUALITY AND ENVIRONMENT AND SAFETY AND
HEALTH AT WORK**

It is in the interest of Talleres BIDE GAIN, S.A., an organization dedicated to the machining of parts for valves, to maintain an Integrated Management System in accordance with current **UNE-EN-ISO 9001, 14001, 45001 and EN 9100 regulations.**

For this we commit to:

- Compliance with applicable legal requirements of our Integrated Management System as well as requirements of internal and external stakeholders with profitable results to ensure the future of our company.
- The commitment to provide safe and healthy working conditions and protection for the Environment
- The analysis and determination of actions aimed at eliminating hazards and reducing risks to the Safety and Health of its Workers, SST, including the causes of incidents and work accidents, through the implementation of appropriate corrective actions, for the prevention of injuries and ill health.
- The consultation and participation of workers in the Health and Safety Plans
- The commitment of the Management to lead the strategic and evolutionary development, the performance of our Quality, Environment and Occupational Health and Safety System and to establish and lead Continuous Improvement processes, providing the organization with adequate resources to achieving its Objectives and Strategy and creating a suitable work environment.
- Collaboration with Suppliers and Subcontractors, in order to promote the quality of the product and service, as well as appropriate environmental practices and occupational health and safety.

For this reason, and aware that compliance with the commitments acquired is the responsibility of all the people related to Talleres Bidegain, S.A., we undertake to promote and communicate the Quality, Environment and Occupational Health and Safety Policy at all levels. of the Company and to make it available to all interested parties

Tolosa, 01/10/2024

Koldo Moreno, General Manager of Talleres BIDE GAIN S.A.
